To our patients who have insurance from companies with whom we do not presently have a contract:

The Doctors in MAUA participated with many other insurance companies, for example: Coventry, GEHA, Kaiser, Eldercare, etc., before we merged. Unfortunately our old contracts became void after our merger. We have attempted to renegotiate contracts with many of these companies but so far have had few responses.

We can sometimes get authorization to see you "out of contract" but this is very labor intensive, and we would hope to eventually work out contracts with them as before. We need your help.

Please call your insurance representative about this problem and have them have their contracting department to get in touch with our representatives. You should also fill out and forward the below form to the contracting agent at the Home Office of your insurer. We would appreciate receiving a copy of your letter or send an e-mail to: mauamd.info@gmail.com, so we may keep track of their responses.

Thank you

Mid Atlantic Urology Associates LLC.

#### To My Insurance Carrier:

**My urologist, Dr \_\_\_\_\_ who formerly was contracted with you, has merged his practice into Mid Atlantic Urology Associates LLC., (MAUA) which has a new Tax ID. In order for me to be seen by him as a participating physician, the new entity MAUA, must have a new contract with your company. MAUA has apparently attempted to negotiate with many insurers without, in many cases a response. Please have your contracting representative get in contact with either of the two representatives listed below.**

**Very truly yours, Signed \_\_\_\_\_  
Insurance ID# \_\_\_\_\_**
